SNEEZE GUARDS
Artwork shown for illustration purposes only and can be customised to preference.

These products are essential to aid in the protection of frontline staff when dealing directly with the public. Made from strong acrylic or for the budeget option corrugated fibreboard, they can be branded and easily cleaned to ensure COVID-19 does not pass on to essential workers and spread to other people.
Available in a variety of options, some able to be branded, these are a must-have in every retail establishment.
